Title I Parent and Family Engagement Policy

Each school jointly develops with parents a written parental involvement policy that describes the means for carrying out the requirements of the legislation.

It is the policy of the administration, faculty, and staff of your child's school to:

- Involve parents in an organized, ongoing, and timely way, in the planning, review, and improvement of programs
- Hold an Annual Title I meeting to inform parents of their school's participation in Title I and to explain its requirements
- Provide information to parents in a timely manner
- Provide parents with explanations of the school's overall student achievements and their child's student test results
- Provide parents with descriptions and explanations of the school's curriculum, the assessments used to measure student progress, and the ability levels that students are expected to meet
- Offer regular meetings for parents to make suggestions, share experiences, and participate in decisions relating to the education of their child
- Provide timely responses to parents' suggestions
- Develop and distribute a School-Parent Compact
- Provide parents with involvement programs that provide materials and training to help parents work with educators as partners to monitor and improve their child's achievement
- Make sure that information related to the school and parent programs is sent to the parents in a format and language that parents can understand.
- Provide other practical support for parental involvement activities that parents may request
