

LBC PRINCIPAL'S NEWSLETTER

Quarter 2 2023-2024

What's New at LBC!!!

Keeps Students Engaged over the Holidays

It has been a fantastic start to the school year. The Leader In Me program has had a positive effect on our school climate, school culture, and safety. The numbers of bullying instances and fights have dropped significantly. A student leadership group called the "Student Lighthouse Team" was formed and developed committees to address Academics, School Climate, Anti-Bullying, and Facility Upgrades. The Student Lighthouse team has already presented at a Middle Level Principals meeting to discuss the positive changes at the school.

Keeps Students Engaged over the Holidays

Keep you students engaged with instruction over the holidays by doing the following:

1. Work on Dreambox and IXL
2. Read a book!
3. Work in Kahn Academy
4. Work in Math Nation
5. Complete Make-Up Work in Schoology
6. Do a Puzzle as a Family!

Since the beginning of school LBC has had several projects completed around the building that increases safety, learning, and general appearances of the grounds.

All teachers have been provided Clear Touch boards in their classrooms. This new technology will enhance the way teachers are able to present lessons.

New gates and locks have been installed to better secure the campus.

The Basketball court has been completed and a new safety rail has been installed in front of the gymnasium.

Please see the pictures below and above of the new Basketball Court and safety rail.
