

Warrenville Elementary

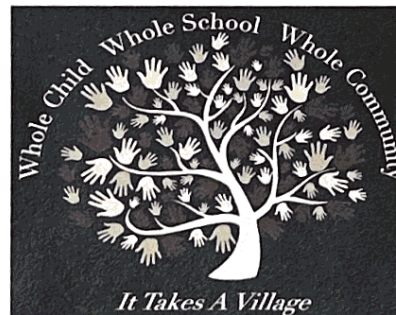

November 2023

Principal/Assistant Principal's Message

Dear Warrenville Families,
Our school's vision is Whole Child, Whole School, Whole Community; It Takes a Village. Thank you for being a part of our village. When meeting the needs of the whole child, we will ensure students are healthy, safe, engaged, supported, and challenged. Warrenville Elementary will support the physical and mental health of our faculty and staff, so they can support students' academic success. We will provide family engagement activities and develop community partnerships to improve academics and behavior for students. Together, we will achieve our goals.

Sincerely,
Charlene Heard, Principal
Julie Yonn, Assistant Principal
