There are many clubs for students to be involved in at The Bluff . We encourage our students to be fully engaged in their high school so they get the most out of the experience and help make Silver Bluff as great as it can be.

Parent and community involvement is always encouraged. We have a very active alumni group as well as a strong PTSO and School Improvement Council. We communicate through SchoolWay, Facebook and Twitter and invite parents and community members to get involved and partner with the school.

EXTRACURRICULAR ACTIVITIES

Students support their school and take great pride in being Bulldogs. Student groups like the Bulldog Brotherhood organize pep rallies and recruit classmates for sharing their school spirit in the student section at ball games.

SPECIAL NEEDS

We are committed to a high-quality educational experience for all students, including struggling learners and those with special needs. Our team of teachers works hard to meet students' needs and to differentiate learning for all learning styles.
