

### Required Materials:

- Calculator: TI-84+ CE, or any version of a TI-83/84
- Pencils, Colored Grading Pen, Graph Paper
- 3-Ring Notebook with Paper
- Textbook (Please leave at home)

### Student Responsibilities:

1. Bring all required materials to class daily.
2. Work must be completed in pencil to receive credit.
3. All assignments: copy the important information, show all steps, and box the final answer.
4. Complete all assignments on time. Late work must be completed by the end of the Chapter with a maximum of 50% credit. See make-up policy in Student Handbook for Student Absences.
5. Make all work legible and organized.
6. All papers shall be labeled with student name, period, assignment, and date on the upper right corner.
7. Follow all school rules.

### Staying Connected:

Remind: Text @2ICEPCALH to 81010 Email: [rmason@acpsd.net](mailto:rmason@acpsd.net)

### Grading Policy:

- Summative = 60%  
(Tests)
- Formative = 40%  
(Quizzes = 25% & Homework/Classwork = 15%)
- Chapter WarmUps = Quiz grade each chapter
- Remediation
  - Remediation will be offered after each test.

Grade on Test	Number of Khan Academy Videos	Number of Khan Academy Assessments
80-100	3	2
60-79	6	4
Below 60	12	8

Notes must be taken on all videos and work completed on all assessments to qualify.

Successful completion of the assigned remediation **and** completed test corrections will be used as evidence of remediation to improve the test grade by 1/3 of the points lost.
