HEARTS AROUND THE WORLD

Dear Friends and Families,

The classes of BES are participating in a "Hearts Around the World" project. Our goal is to receive an item or postcard from each of the 50 states if possible, as well as different countries. We have a map of the US and world. As we receive the cards, we will add a heart sticker to the state or country from which it was received.

In order for this project to be successful, we need your help. Please ask family and friends to send a special note by sharing this flyer. We will be eagerly waiting to see how many people love and support our Belvedere community! Please send them early so we can receive them by February 14, 2024.

Thank you for your help with this project!

Sincerely,
Faculty and Staff of Belvedere Elementary

Our school address is:
