

THE CHAMPION

A weekly newsletter for Chukker Creek Elementary Families

a Title I School

January 22-26, 2024

Dear Chukker Creek Families,

Our KIDS HEART CHALLENGE is from January 30 - February 14.

Our school goal is 5,000. Our students may register using the QR code found on the flyer below!

Our after-school tutorial program for 3rd - 5th Grade students had started. It is being held on Tuesdays and Thursdays from 3:00 PM - 4:00 PM. **It is not too late for your student to begin.** If you would like your child to participate, please fill out the form found at the link below. For questions regarding the after-school program, please email Dr. Evans at rbryant2@acpsd.net.

We will have Saturday School at Chukker Creek for 3rd - 5th Grade Students from 9:00AM - 11:00AM for student interested in getting additional tutoring. The dates for Saturday School are below.

- 1/27/2024
- 2/24/2024
- 3/23/2024
- 4/20/2024

We are planning a 5th grade class trip to Atlanta, GA to visit the Coca Cola Factory and Aquarium. It is scheduled for April 30. Our fifth grade teachers will communicate with you regarding payment

collection due dates. They will also continue to answer any questions that you may have regarding trip itinerary.

We have completed MAP testing at Chukker Creek. If you have not heard from your child's teacher regarding what your child scored on the Winter MAP assessment, please reach out to the teacher or the front office, and we will provide you with a copy of the report. We are excited about the growth shown by many of our students. **All students should meet their MAP goals, as the MAP reading and math tests are based on each individual child's level and performance levels.**

We have a new Reading Program called Beanstack! Beanstack is a web and mobile app used to track independent reading time, and help build a culture of reading in school and at home. Beanstack makes it easier for us to help our students track reading, keep our students motivated to read, and provide feedback and insights into the reading habits of our school. Please see the flyer below for more information!

Yearbooks are on sale now! Please see the flyer regarding prices below.

Homework. We would like for each of our students to read for a minimum of 20 minutes each night to improve oral reading fluency and reading comprehension. We can provide you with a list of reading strategies and leveled comprehension questions. Please reach out to your students' teachers if you would like for us to provide you with literacy resources.

What can students do who have NO homework or say they are BORED???? See below.

NEW: Our school is piloting iReady in 1st - 5th grades. Students may work in iReady at home in reading or math! Students have been given passwords. The teachers will make sure that you get them as well.

Kindergarten through fifth grade students are also encouraged to do **Dream Box** at home. This provides practice with solving math problems. Students can log on using clever.

The **Exact Path (Edmentum)** platform can be used by our 3rd - 5th grade students to get additional reading support. K - 2nd graders can get extra reading practice using the **Imagine Learning platform**. Students can log on using Clever.

In addition to our school's Leader in Me initiative, we have developed 5 schoolwide rules for our students. They are:

1. Respect the rights, feelings, and property of others.
2. Walk, save your running for the playground.
3. Use an appropriate tone of voice.
4. Follow all directions given by school personnel, the first time.
5. Keep hands, feet and objects to yourself.

Please help us by reviewing the school wide rules with your students and encouraging them to work hard to meet our schoolwide academic and behavioral expectations.

Thank you for your continued support.

Sincerely,

Dr. Evans

2. Why is it important?
3. How will you know when you've learned it?

You can support us by asking our students the same 3 questions!

Carl Rider Line Procedures

Arrival

We have begun implementing our new transportation procedures. Please take special note that we now have two(2) lanes for morning drop off. For safety reasons we ask that you remain in your car during drop off, and refrain from parking to walk your students into school.

Dismissal

We have our DriveLine Platform up and running. We are working to make dismissal more efficient. Thank you for your continued patience.

Week 21 Reminders

1. Bell Times

Arrival Time: 7:00am

Tardy Bell 7:30am Dismissal Time: 2:30pm

2. Morning Arrival

Students should not arrive prior to 7:00am.

For the safety of all of our students, we ask that you ONLY use the car rider line to drop off students. Students may not be dropped off in the back of the building.

3. Breakfast and Lunch Information

Breakfast will be available from 7:00-7:20am. All students receive breakfast and lunch at no cost.

4. Early Sign-Outs and Transportation Changes

To ensure a safe and efficient dismissal process, we respectfully ask that there you do not come to sign-outs students after **2:00pm**. **ALL** car transportation changes must be in writing. We **DO NOT**

accept transportation changes over the phone for the safety of our students. We do not accept bus transportation changes in the CCE Main Office.

5. Bus Information

Online Transportation Registration Link: <https://aikenpowerschool.com/public/>

All bus transportation issues, requests, or changes must be made through the bus transportation office.

6. Dismissal Procedures

Carline parents, please be patient as the students travel to car line. We expect many additional car riders the first week, so traffic may move slow, at times. Please allow for the additional time needed to safely dismiss our students, in advance. Bus riders will be escorted by staff to the bus lot. Online transportation registration and approval is required before a student can ride the bus.

7. Home to School Communication

Communication updates and flyers will be sent home on Wednesdays. Our teachers will also frequently communicate through Class DoJo/Remind.

8. How to Report Concerns or the need for Resources
