

# Meet The Teacher

## Welcome

Welcome to Camp Quest Aiken Intermediate Explorers! I am so excited to be teaching Math this year. I look forward to having each of you in my class as we explore the incredible world of Math together!

## My Favorites

My most favorite thing to do is spend time with my husband and my 3 boys. Most nights and weekends I can be found on either a football or baseball field.

I also love to take painting classes with my mom and my sister.

My favorite place to vacation is to the Mountains in the Winter. It's even more incredible if it snows while I'm there.

## My Education

Western Governor's  
University  
BA Elementary Education  
Western Governor's  
University  
Learning and Technology  
Master's Candidate
