FIELD TRIP GUIDE

ANDREW JACKSON STATE PARK

During Andrew Jackson's childhood, Carolina Backcountry families subsisted on small game, deer, fish, or what they could grow with their own hands. Andrew Jackson State Park's Historic Orchard and Herb Garden feature fruit trees, herbs and vegetables that were known to be important sources of food, flavorings and medicines for settlers and Native Americans.

FISHING CREEK CREAMERY

Fishing Creek Creamery is dedicated to producing top-quality fresh and aged goat cheeses that reflect the unique "terroir" of the South Carolina upstate. Their cheese is distributed throughout the Carolinas at local farmers markets and retail shops, served at many fine restaurants, and sold from the Creamery at our farm store. They welcome you to visit them and try their products. By supporting their farm, you are supporting a movement to help grow small farms that are better for animals, better for the land, and better for people everywhere.

MCLEOD FARMS-MAC'S PRIDE

Located in Chesterfield County, McLeod Farms is a large peach farm that has been family owned and operated since 1916. McLeod Farms offers schools in the surrounding area a chance to Come and See the Farm. This program is designed to educate children, ages four through eight, about farm life and lets them experience farming hands-on. Although primarily a peach farm, McLeod farms grows a number of other fruit and vegetables which makes them the perfect spring or fall field trip destination.

TRINITY HERITAGE RANCH

The Sandlofer Family has been entertaining and educating Americans for decades. Michael operated a non-profit museum and circus, worked in animal conservation and served our country in time of war. Sharon is a second-generation circus performer and top-notch animal trainer with vast experience in performance at fairs and events. Daughter Benna carries on the family tradition as an award winning trick rider, performer, and animal trainer. Together, the family is dedicated to bringing you wildly entertaining shows with a sound family message. The themes of conservation, history, and learning the skills and abilities that built our country are highlighted in each performance.
