August/September

A NEW YEAR!

WELCOME BACK SCHOLARS!

ACADEMICS

Students and teachers are working hard, working towards a promising academic school year. We are definitely off to a very good start!

Teachers have prepared websites that contain lesson plans, important dates, and current academic classroom news. Websites can be accessed on the A.L. Corbett Middle School Website.

Please check us out!

Congratulations! ALCMS

21st Century Project Excel After School program will be open Monday through Friday. Activities include dance, Step Team, Robotics, Synergistic Lab, Arts and Crafts, Agriculture, Culinary, Do it Your Own, Intramurals and other activities. In addition, homework assistance and instruction with classroom teachers is provided. The program is available to all scholars, those on grade level, in advanced courses and those who need additional help.

A.L. Corbett Football Highlights By Coach Garvin

The ALC Middle School Football season began on Wednesday, September 11th against LBC Middle School. The game was played at Midland Valley High School. The first game of the season was also the first experience playing in a football game for 14 of the 26 players dressed to play. They were excited and amazed at the size of the field, stadium, and the opposing players. The game began with LBC scoring two touchdowns from the outside. The score at the end of the first quarter was 16-0. The Lions made a touchdown and narrowed the score, trailing 16-6. LBC scored on the ensuing kickoff and the score at halftime was 24-6. The third quarter started with LBC returning a kickoff; however, the ALC Lions continued to fight hard and matched LBC touchdowns the remainder of the game. The final score was LBC 48 and ALC 22. All 26 players got an opportunity to play, and each played hard. Throughout the game there were great teaching moments and it was a good learning experience for the team. The team is making progress on the field as well as in the classroom. Several Scholar Athletes have demonstrated good leadership qualities on and off the playing field. Brandon Jackson and Brandon Pontoon have been selected as Scholar Athletes of the week. "Keep working hard and remember, if you can believe it and conceive it, you can achieve it! Go Lions!"

Brandon Pontoon

Brandon Jackson

Congratulations to our New Homeroom Reps!

8th Grade
Shania Jackson
Adaia Davis
Harley Weaver
Meagan Ginyard

7th Grade
Solei Tafe
Shania Williams
Kenya Jackson
