New employees will be given credit for prior years' teaching experience in a JROTC program or placed at the step in the applicable grade closest to the minimum salary established by the Department of the Navy or Department of the Army, whichever is higher. No employee will earn less than his/her minimum instructor salary amount. Should an instructor be paid at step 23 of his/her respective grade and still not meet the minimum salary requirement, the employee's salary will be adjusted to the minimum required amount.

## **General Information – Professional and Hourly Salary Scales**

- Amounts reflected on professional salary scales represent annual, 12 month salary amounts except for the nurse, school psychologist, and assistant principal scales. The salary for any employee working less than a 12 month, 8 hour schedule will be paid in proportion to amounts shown. The denominator for determining the daily rate is 260.
- Pay level advances are not automatic. Pay level increases will become effective July 1 each year, if approved by the School Board. Supervisors will submit to the Superintendent by May 15 of each year, a list of employees not recommended for pay level advancement. New employees in the District appointed after December 31 will not be rolled up a pay level on July 1 and are not eligible for pay level increases until the following July. New employees appointed after December 31 will be eligible for cost of living adjustments.
- In the event of a promotion, the new salary will be the entry level of the salary range for the new position or a maximum of two level increases higher than salary prior to promotion, pending any additional steps for service credit. Employees promoted after December 31 will not be rolled up a pay level on July 1 and are not eligible for pay level increases until the following July.
- Administrators (principals, directors, executive directors and chiefs) may be paid at least \$500 more annually in base salary than employees under his/her supervision when recommended by the Superintendent and approved by the School Board.
- No administrator is authorized to negotiate salary with any employee. The salaries of new employees will be based upon the guidelines of the salary schedule and within advertised salary ranges. The Human Resources department shall verify that all advertised salary ranges are consistent with and appropriate for the established schedule.
- To be competitive, or when an applicant's training, experience or other qualifications are substantially above those required for entry level into the position, starting salaries above the entry rate may be recommended by the District Superintendent to the School Board for approval. The School Board has delegated authority to the District Superintendent to provide up to two steps without additional School Board approval.
- No changes shall be made in salary schedules or procedures during the school year or during the budget process until the recommended changes have been highlighted and specifically brought to the attention of the Board during the public session.
- All schools that do not have a building and grounds supervisor will designate a level 1 or level 2 head custodian according to District procedure. A head custodian level 1 (for schools with square footages exceeding 80,000 sq. ft.) will be paid a supplement of \$2,366. A head custodian level 2 (for schools with square footages of less than 80,000 sq. ft.) will be paid a supplement of \$1776. Only high schools exceeding 100,000 sq. ft. will be staffed with a building & grounds supervisor; these locations are ineligible for head custodian supplements.

- An employee receiving his/her Doctorate or Masters + 30 degree after initial placement on the professional salary scale will be credited for the advanced degree, with two steps given for a Doctorate or one step given for a Masters + 30. An individual currently with a Masters + 30 degree and receiving his/her Doctorate will receive a one step increase.
- Temporary principals and temporary assistant principals will be paid from the principal and assistant principal scales. Placements, and corresponding daily rates, will be determined using the service credit methodology, with a maximum placement of step 8 on the respective scale. The Chief Financial Officer and Human Resources Director will approve all such placements.
- The effective date for an employee with less than five years' experience, with the district, who submits his/her resignation or retirement prior to or during a holiday break and will not return to work after the break will be determined by his/her last actual day worked.

# Overtime Procedures

## Non-Exempt Employees

- 1) Non-exempt employees working more than 40 hours per week will receive compensatory time or a monetary reimbursement. NOTE: All hours worked during the week (including after school activities) will be combined to determine if an employee is eligible for overtime reimbursement.
- 2) Supervisors will allow 1 ½ hours compensatory time for each hour worked beyond 40 hours per week. Records indicating amount of compensatory time earned and used will be maintained at each work location. All efforts should be made to use compensatory time in a timely manner.
- 3) Should it become impossible to grant time off for overtime worked, the following procedures will be used:
  - a) Supervisors will complete CSDAC-Form No. 17 (Payroll Changes) indicating in the remarks section that overtime is to be paid and the number of hours to be paid. If two or more rates of pay are involved, indicate hours worked for the week by job or rate of pay. Timesheets evidencing hours worked should be included.
  - b) Overtime (over 40 hours) being paid for after school or similar activities from local funds will be calculated at 1 1/2 times the regular rate of pay. The District will be reimbursed for these costs from local funds, including any related fringe benefit costs.
  - c) Overtime payments must be authorized by the Chief Officer for the areas/departments under their supervision.
  - d) Submit completed CSDAC-Form #17 to the Payroll Department.
  - e) Bus drivers/aides, etc. overtime will be calculated by the Payroll Department using previously established procedures.
- 4) Any hours worked beyond normal contract hours must be approved as described in School Board Policy GDBC and its administrative rule. Unauthorized overtime will not be tolerated.
- 5) All employees except those indicated below are considered non-exempt employees.

## Exempt Employees

The following groups of employees are exempt from Fair Labor Standards Act minimum wage and overtime provisions:

- Personnel paid from the teacher salary scale.
- Personnel paid from the JROTC instructor salary scale.
- Personnel paid from the professional salary scale unless indicated as non-exempt (see professional scale – position key).
- Buildings and Grounds Supervisors
- Food Service Supervisors
- Transportation Supervisors
- Employees paid from the Foreman/Maintenance Manager scale

## **School Bus Drivers' Pay Procedures**

- 1) The Fair Labor Standards Act covers adult bus drivers. Transportation Supervisors must maintain time and attendance records to ensure compliance with the Act.
- 2) Daily set hours of work shall be established for each school bus driver. This includes actual driving time plus time for pre-trip inspection, student discipline conferences, mechanical failures, and various waiting time necessitated for bus fueling or servicing. It is estimated that non-driving bus duties will average 30 minutes a.m. and 30 minutes p.m. In addition to this time, the State Department of Education will reimburse for ten (10) hours of in-service time per year. Bus drivers will remain clocked in for all work duties in order to provide an accurate record for work hours.

The maximum State Department of Education reimbursement per driver per week will be forty hours. The beginning of the workday will be when the driver picks up the school bus at a central parking place to begin his/her route, or at the beginning of the route (at home) if the driver has retained the school bus overnight. This consideration will be determined when setting the base working hours for each driver.

- 3) Fringe benefits will be available to those drivers who have set minimum work hours of at least 30 hours per week. These benefits include social security, health and dental insurance. Also, all drivers are eligible for participation in the State Retirement System if he or she elects to do so. The employer cost of fringe benefits will be shared between the state and the district at 70% and 30% respectively.

Bus drivers who have set hours of less than 30 hours per week, but who perform other jobs for the district with a combined time reaching or exceeding 30 hours, will also qualify for fringe benefits with the state bearing its proportionate share of the costs.

Drivers employed at least 20 hours per week are eligible for sick leave as described in Policy GDC, Support Staff Leaves and Absences. Bus Drivers are entitled to other personal, military, and court leave as approved by Board Policies. Sick leave, court leave and military leave will be reported as hours worked for State Department of Education reimbursement purposes if time was taken during set scheduled bus driver working time. A service agreement shall be completed for each school bus driver, by May 1 of each year, and kept on file in the Transportation Supervisor's office. This agreement shall be used for regular drivers as an employment agreement for the next school year.

## Service Credit

- The School Board adopted a new methodology for providing new hires with service credit, beginning with the 2016 – 2017 school year. Service credit had only been provided in past years for identified, critical needs situations.
- Service credit methodology initially applied to the following positions only: assistant principal, principal, director, and executive director. Use of service credit methodology for these positions took effect July 1, 2016. Phase II of the service credit implementation expanded service credit to the following scales, in 2017 – 2018: bus driver, clerk/office staff, support IV, support V, administrative assistant to the Board/Superintendent, foreman/maintenance manager, support VI, professional I, nurse, supervisor, professional II and coordinator. The third and final phase of service credit implementation takes effect in 2018-2019.
- A salary computation worksheet will be utilized to determine an employee's placement on the pay scale upon consideration of service credit and advanced degrees. [See salary computation worksheets in subsequent pages.] Salary computations and placements on pay scales will be approved by the Chief Financial Officer and Human Resources Director, or designees.
- Prior work experience will be considered as follow:
  - Years' experience in positions that are equal to or higher than the current position will be considered the "same" and will be calculated at a factor of 1.00.
  - Years' experience in positions that are not equal to or higher than the current position but are considered preparatory for the current position will be consider "similar." Those years will be calculated at a factor of less than 1.00.
  - Years' experience in positions that are not equal to or higher than the current position and are not deemed preparatory for the current position will not be considered for service credit.
- Any employee wishing to request re-evaluation of his/her service credit computation must submit that request to the Human Resources department within six months of the service credit effective date. Only information currently in the employee's personnel file (application, resume, work history with the District, etc.) will be considered for re-evaluation.

Note: Any employee who left employment with ACPSD and is re-employed for the same position (not specific to location) within one year of his/her original separation will be placed at his/her exiting pay step when more beneficial than placement based on the service credit calculation. Step placement for anyone re-employed in a different position or re-employed one year or more after his/her original separation will be based on the service credit calculation.

\*Each high school is allocated two periods for release time for athletics.

\*\* (1) Years Experience: counted as years in that position in or out of the district.

(a) Principals may use every two years of assistant football coaching experience to count as one of head coaching experience when hiring new head football coaches.

Football is the only sport where this ratio principle may be used.

(b) It is the responsibility of all coaches to have their years experience validated with letters from every school system they were employed as coaches.

(2) Supplements are for positions for these teams only. They cannot be used for additional coaches in other sports, nor to increase any current supplement.

\*\*\*ASSISTANT FOOTBALL SLOTS:

AAAA	8	AA	6
AAA	7	A	6

Note: Assistant Coach responsibilities to be declared by Head Coach.

If a school has a "B" football team, an additional assistant coach is added.

Supplements for "B" team head coaches are paid at assistant coach amounts.

**Playoffs:**

Playoff supplements will be paid at a rate equaling one-tenth of a coach's regular supplement for each week in the playoffs.

If junior varsity or lower level coaches are "called up" for the playoffs, schools must compensate those coaches using local funds; call-ups' playoff compensation will be determined in the same manner as described above.

## Supplement Guidelines and Procedures

No person may be paid more than three supplements without approval of the Executive Director for that respective level and the District Superintendent.

No person may receive more than one supplement identified with a given program except for athletic directors who also serve as head coaches. No person may be paid for head and assistant supplements for the same sport or receive dual supplements when programs are combined, such as boys and girls tennis.

Supplements are for a set number of positions for each school. Unused coaching supplements from one sport **CANNOT** be used for additional coaches in other sports. Unused coaching supplements **CANNOT** be used to increase any other current supplement. Supplements cannot be transferred to any feeder school program or position.

Assistant principals and above are not eligible for curriculum and instruction, extracurricular or athletic supplements.

Head football coaches for middle schools are encouraged to serve as assistants to the high school program prior to their respective program start-up dates.

Head coaches and athletic directors must meet the requirements for these positions as set forth by the South Carolina High School League.

Supplements may be divided 50-50 between two individuals when both agree to share responsibilities and upon the Executive Director's approval. A statement signed by each person is required to be on file.

Non-employees (employees with no other position in the District) may be hired for supplemental positions, preferably assistant coaching positions. Their hours will be limited such that they make at least hourly minimum wage over the course of the season as defined by the U.S. Department of Labor. The maximum number of hours will be determined by dividing the respective supplement by the minimum wage rate. In addition, no non-employee may work more than 40 hours during a seven day period.

An hours limit will be established and provided to schools for any classified (hourly) employee who coaches, utilizing a blended hourly rate. Schools must maintain timesheets as documentation of coaching hours worked by a classified employee. Any hours in excess of the establish limit and thus in excess of the supplement amount will be covered by schools from local school funds.

Supplement payments will be included in semi-monthly paychecks. One exception: non-employee coaches earning less than \$1,500 will be paid in two semi-annual installments.

**NO PERSON MAY BE AWARDED ANY SUPPLEMENT IF HE/SHE DOES NOT HOLD A SUPPLEMENTAL CONTRACT WITH THE SCHOOL DISTRICT OF AIKEN COUNTY.**
