Our Mission: Collaboratively engage and meet the needs of all stakeholders to ensure academic, social and emotional growth for our entire Oakwood-Windsor community.

Registration

Online registration is now open! Registration is completely online. To register, visit our district's homepage @ www.acpsd.net and click on "About Us" and then "How to Enroll". If you have any questions or concerns, please call the front office.

Literacy Night Picnic

Please join us next Thursday, May 27 from 5:30-6:30PM for a night of literacy fun! We will have hotdogs and a FREE book for every OWES student. Bring a blanket and plan to picnic under the evening sky while enjoying a good book. We need to get a count of how many hotdogs will be needed so all families must RSVP by May 25. We cannot guarantee your meal if you don't RSVP. 😊

Bookfair

We will finally be hosting our first and only in person bookfair for the year during the week of May 24-28. Be sure to look for the flyer to be sent home soon! The bookfair will be open during literacy night.

Field Day

We are excited to once again be able to offer field day for our Wise Owls this year. Unfortunately, we will not be able to have visitors for our field day but we are working hard to plan a fun and safe way for our students to still have the field day experience. Our virtual students will participate in a virtual field day. Your child's classroom teacher will be sharing information soon!

End of the Year State Testing

State testing is upon us! Each year, our 3rd-5th grade students participate in statewide testing. State testing begins this week and continues through the beginning of June. We are asking for your help in ensuring your child gets a good night's sleep and arrives to school on time each day of testing. Student attendance on testing days is very important! Parents of our virtual students are reminded to please have your student bring their hardback textbooks with them so they can be turned in and inventoried. These would include reading textbooks and the social studies textbooks for 3rd grade students.
