Progress

Throughout this year, we have remained focused on achieving the goals established by the SIC and our School Renewal Plan.

Our K to 3 teachers are receiving weekly training with Language Essentials for Teachers of Reading and Spelling (LETRS).

To improve school climate, students are rewarded for making good choices. To encourage good behavior, students earn tickets for being safe, respectful, and responsible. Students are able to use their tickets to shop at the Trojan Store. Students who demonstrate good character are honored each month as Terrific Kids.

Students are recognized for academic growth and achievement. As students make gains, they receive certificates and have their names announced. Awards ceremonies are held to honor students' success.
