

Warrenville Elementary

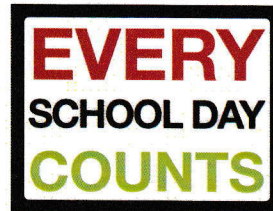

February 2019

Principal/Assistant Principal's Message

Dear Warrenville Families,
Please turn in a parent note or doctor's excuse when your child is absent. After 3 consecutive or 5 cumulative unexcused absences, an attendance conference is required. When students are absent, they miss instruction that is difficult to recreate. The late bell rings at 7:30. When students are constantly tardy, they miss vital instruction which could lead to regression of skills. Thank you for helping us establish good attendance habits.

Sincerely,
Charlene Heard, Principal
Patrick Newsome, Assistant Principal
