October 2018

Principal/Assistant Principal's Message

Dear Warrenville Families,

Communication between home and school is extremely important. As we prepare for Parent-Teacher Conferences on Monday, October 22nd, we look forward to your insights regarding your child's education. As a parent, you provide valuable information for your child's classroom teacher.

During your conference, your child's teacher will share information about your child's achievement, work habits, and peer relationships. Please feel free to write down any questions you may have before the conference.

Sincerely,

Charlene Heard, Principal

Patrick Newsome, Assistant Principal
