

October 25, 2021

Aiken High School
Attn: Counselor(s)
449 Rutland Drive
Aiken, SC 29801

Dear Counselor(s):

Savannah River Nuclear Solutions (SRNS) is offering scholarships to sons and daughters of SRNS employees this year. Thank you for your continued support in the program.

Please advise eligible students of SRNS's scholarship program. Fifteen \$3,000 scholarships will be awarded in the Spring of 2022.

Due to certain colleges and universities waving submittals of SAT/ACT test scores for the 2022 fall entrance, SRNS is waiving the SAT/ACT requirement submittal portion of the 2022 SRNS Family Scholarship Program. However, students may still submit test scores but are not required.

The SRNS Family Scholarship code number for the SAT test is 6213 and the ACT is 6852.

Employees may request scholarship applications for their children by contacting me at the number below.

If you would like an electronic copy of the application, contact me at "edith.hughes@srs.gov.", please include your name and school.

Should have questions regarding the 2022 Family Scholarship Program, please contact me at (803) 952-8210.

Sincerely,

Edith Hughes
Family Scholarship Coordinator
Workforce Services

Savannah River Nuclear Solutions

2022 FAMILY SCHOLARSHIP COMPETITION

- **Fifteen \$3,000 Scholarships**

Fifteen Savannah River Nuclear Solutions Family Scholarships, worth a total value of \$45,000, will be awarded in 2022. Recipients are selected on the basis of general ability, leadership, scholastic assessment and achievement. Final awards are made by Savannah River Nuclear Solutions as appropriate; recipients will be announced in April 2022.

CONDITIONS

- Scholarship payments are to be applied to any bachelor's degree program at an accredited college or university selected by the recipient and approved by the Company.
- The fifteen \$3,000 scholarship stipends will be awarded in a single payment in May 2022.
- No restriction is placed on the amount of financial aid received from other sources.

SRNS Family Scholarship Program

E-Mail Address - HRPolicy@srs.gov

PROCEDURE

Complete the attached application and submit it to the above email address by February 2, 2022.

ELIGIBILITY

SRNS Family Scholarships are open to sons and daughters of active full service employees of SRNS who are in their last year in public, private, home or parochial high schools. Applicants must graduate from high school after November 1, 2021 to be eligible. Last year of high school includes students in the 10th, 11th or 12th grade who will enter or continue college after January 1, 2022 but before January 1, 2023.

To be eligible, the applicant's parent must be an active full service employee of SRNS for a period of one year or more as of May 1, 2022.

Sons and daughters of American expatriates on temporary SRNS service abroad are also eligible under the above conditions. The term "children" includes natural children, adopted children, stepchildren, and legal wards.

**TO BE CONSIDERED FOR THE SRNS FAMILY SCHOLARSHIP,
THE SCHOLARSHIP APPLICATION MUST BE RECEIVED BY
FEBRUARY 2, 2022**

**Frequently Asked Questions About the
Savannah River Nuclear Solutions Family Scholarship Program**

ELIGIBILITY

- 1. What happens to my eligibility if my parent ceases to work for SRNS prior to the selection of winners?**

If your parent's employment with SRNS terminates before the selection of winners, your eligibility will cease. The exception is death.

- 2. If I have taken some advanced courses at a college or university does that disqualify me from the competition?**

No. As long as you are a 'resident' student still enrolled in high school, in pursuit of a high school diploma, you are eligible.

- 3. I have a grandparent who works for SRNS. Would I be eligible for a scholarship?**

No. Grandparents, sisters, brothers, aunts, and uncles do not meet eligibility requirements. NOTE: Adopted children, stepchildren, and legal wards of employees are eligible.

- 4. Am I eligible for a scholarship if I plan to attend a technical school/junior college?**

No. Study program must be toward a bachelor's degree at an accredited college or university.

- 5. I'm going to finish high school early so I won't be graduating with my class. Am I permitted to apply for a SRNS scholarship even if I don't actually "graduate?"**

Occasionally students have the opportunity to enter or continue college and get credit for finishing high school graduation requirements simultaneously. Application should be made in your last year of high school. Once you are enrolled full time at a college, you lose your eligibility for a SRNS Family Scholarship.

- 6. If I don't graduate when expected (due to illness, teachers' strike or other reason), can I apply the following year for the scholarship competition . . . or am I permitted to compete only one time?**

If you graduate within the same calendar year, your application will receive the same consideration for award during the current year's competition. Failure to graduate within the same calendar year would preclude any award from that year's competition.

Application could then be made under the following year's competition, assuming you were still a full-time high school student.

7. Are dependents of retirees eligible for the awards?

No. Children of retirees are not eligible to participate in the Scholarship Program.

8. Can more than one member of the same family win SRNS scholarships?

Each application is evaluated on its own merit. Therefore, no applicant is penalized because other family members are in the same competition. Brothers and/or sisters may win Family Scholarships in the same competition.

9. Are home-schooled students eligible for the scholarship competition?

Home instruction candidates are eligible for the program. Each home instruction scholarship applicant must provide, along with a completed SRNS Family Scholarship Program application:

- a copy of his/her state's policies and procedures for home schooling;
- a notarized copy of all related correspondence and approval letters required by that State to approve the individual's course of study; and
- a copy of all standardized test results required by the State for juniors and seniors on home instruction.

In addition, home instruction students may wish to take the G.E.D. as supplemental evaluation material in lieu of a transcript. In this case, the student should provide a notarized copy of his/her G.E.D. test scores. Please note that taking the G.E.D. is optional.

TESTS

10. I have already taken some or all of the required tests but the scores were not sent to the SRNS Family Scholarship Program. How do I arrange for SRNS to receive my scores from previous tests?

If you have already taken the required tests, use the Report Request Form available at your high school, and immediately request the SAT or ACT Program to report to Code Number 6852 scores for the ACT and Code Number 6213 scores for the SAT.

11. I missed the registration date. Can I still arrange for testing?

Possibly. Limited standby (walk-in) spaces may be available. (Standby candidates are

admitted only if space, materials, and staff are available to test them after pre-registered candidates have been accommodated.) Check with your high school counselor or the Educational Testing Service for the procedures.

12. I was unable to take the required tests — will you still consider my application?

No. Failure to complete required tests will result in automatic disqualification from the competition.

13. What accommodations are made for students with disabilities?

Contact The SAT Testing Center at (609) 771-7137 or email ssd@info.collegeboard.org for information and forms.

Contact the ACT Student Services at (319) 337-1270 or the web site at www.actstudent.org/faq/contact-us for additional information.

14. Can I take the tests more than once? If so, which scores will be used in the competition?

Yes. The highest scores achieved on each test will be used for SRNS scholarship competition.

15. Who sees my test scores?

Your test scores are held in strict confidence. Only personnel directly involved in the selection process see your test scores or any part of your application. No information on any applicant is made available to employees, organizations or any requesting third parties.

SELECTION

16. Do I have to major in an area which will benefit SRNS or can I major in whatever I desire?

Selection of winners is not biased for, or against, any field of study. Winners in recent years have pursued such diverse areas of study as engineering, medicine, music, art, liberal arts, dentistry, and veterinary medicine.

17. Does sex or race have any bearing on who wins a scholarship?

No. If more males apply than females, the chances are greater that more males will win. If more applicants of one race apply than another, the same circumstance would hold true.

WINNERS

18. How are winners determined? What is the selection process?

Applicants are judged on the components which make up their application:

- Test scores
- School, community, and employment activities and leadership roles, class standing and grades
- Honors and awards

19. How/when are the winners and non-winners notified of the results of the competition?

You will be notified in April of the results of the competition after the selection process is complete. Also, a sitewide communication announcing the winners will be issued.

20. If I win a scholarship, how and when will I receive the money?

The scholarship checks are sent to the scholarship winners in June. Winners will receive a single payment in their designated award amount.

21. Are there any restrictions on financial aid I can accept from other sources?

There are no such restrictions.

OTHER

22. If my application has already been submitted and I want to add something, such as an award I received, how do I transmit that information to you?

Just send to us in writing what it is you wish to add. The address is listed on the top of the procedure page on the application.

23. If I received a significant commendation/award/etc., should I attach it (or a copy) to my application?

Yes, if you feel that the information is relevant to the competition.

24. Can my Guidance Counselor submit my SAT and ACT scores?

No, scores received from your Guidance Counselor will not be accepted.
