

Congratulations! ...You're a SENIOR!

This is a time in your life you'll want to cherish forever!

One of the privileges of finally being a Senior is having your professional Senior Portrait photo experience. At **Wilson Studio**, we're glad we can help you treasure and remember your Senior Year!

Wilson Studio is proud to be the **OFFICIAL PHOTOGRAPHER** for your school. As a studio that specializes in the finest Senior Portrait photography, we want to make your Senior Portraits as special as you are! Please review this information about having your Senior Portrait Experience with Wilson Studio this summer.

Important! –

Only Senior Portraits taken by Wilson Studio will be included in your school yearbook. Photographs submitted from other sources cannot be accepted!

1. ***PLEASE CALL WILSON STUDIO AT (803) 441-8925 TO DISCUSS YOUR APPOINTMENT.*** Portrait sessions are by appointment only. Please call as soon as possible to discuss your senior portrait experience. We will discuss clothing, portrait style, and answer any questions personally at this time.
2. ***PLEASE REVIEW OUR SESSION TYPES!*** Sessions available include either a Studio Session and/or a Location Session. Your session fee must be paid prior to taking your portrait session. Session fees are non-refundable. All senior sessions must include either a tuxedo jacket (gentlemen) or a formal drape (ladies) for your school yearbook. In addition, your school requests that Seniors have portraits taken in their own personal outfits. We recommend bringing both dressy/traditional outfits and casual/fun outfits. Your studio session investment will vary with the number of outfits you wish to use. You must let us know the type of session you would like when you confirm your appointment, so we can reserve the appropriate amount of time for your session.
3. ***PROPS ARE WELCOME!*** Sports equipment, hats, sunglasses, letterman jackets, musical instruments, pets, etc. are all great additions to your session (no extra charge).
4. ***POSES AND BACKGROUNDS WILL VARY ACCORDING TO YOUR OUTFITS.*** A variety of images will be made in each outfit. ***Please bring your senior ring!*** Please dress head-to-toe as your feet, hands, etc. may show in some poses.
5. ***PREVIEWS WILL USUALLY BE VIEWED IN JUST A FEW DAYS.*** A studio preview appointment to view and order your images will be made when you are photographed.
6. ***PORTRAITS FROM WILSON STUDIO ARE THE FINEST QUALITY AVAILABLE.*** All portraits are retouched and individually custom-printed. We are a **KODAK "PROMISE OF EXCELLENCE" STUDIO** and a Nikon Professional Services studio. Also, a wide variety of items especially for high school seniors are available.
7. ***SENIOR PORTRAITS ARE A TIME TO HAVE FUN!*** Be yourself. In the studio, bring your favorite music to play in our sound system. Feel free to tell us what you like and dislike when having your portraits taken. We'll listen! This is your special time!
8. ***DIRECTIONS!*** We are located at 505 Georgia Ave. in downtown North Augusta (beside the "Pink Dipper" ice cream shop). For more information please visit us at www.wilsonstudio.com or on Facebook at "Wilson Studio of Fine Photography".
