2024-2025 Registration

It is time to register for the 2024-2025 school year!

How do I register my child for 24-25 school year? Collect two proofs of residency. Proof of residency can be your driver's license, lease agreement, recent water bill or light bill. Sign in to Parent Portal and select 24-25 Returning Student Registration. You will need to verify and update any information about each student in your household. In order for registration to be complete, you will need to upload 2 proofs of residency documents and sign, date and submit the registration. If you are unable to upload proof of residency documents, you can simply drop them off at the school office. Please be sure that your student(s) name(s) are on the documents that you submit to the office.

Registration for next year is very important as it helps the school plan rosters, schedules, and staffing for the upcoming year. Thank you for registering your student now before school is out for the summer.

Please pickup all medication
from the school nurse
before the end of the
school year!
