VirtualSC & Aiken County Virtual Academy
Permission Form

Courses cannot be completed on cell phones, tablets, IPADS & Chromebooks. Work that can be done on those is lost & some lessons cannot be accessed.

- Access to a computer & high speed internet is required at home if a student is not taking the course in the school lab.
- Computer, ISP, & technology issues are not the responsibility of ACPSD.

1. Create a student account at https://virtualsc.org using your ACPSD student email address and your grade level/year in school. Students will select their own password, but the username will be generated by the system. Check your email to retrieve a copy of your username and password.

2. Aiken Virtual Academy uses VSC. ACVA classes will show ACVA in the course name. **You must request ACVA where available or the class will not be approved. Select your grade level based on your year in school.**

3. You must notify your counselor within 72 hours of requesting a class **and** return this signed permission form or your request will expire and not be approved.

4. Class assignment is on a first come first serve basis. There is no guarantee you will get a class.

5. Please be aware of course drop deadlines as posted on the VSC website: www.virtualsc.org. Final virtual grades are posted on official transcripts. **Parents**: It is strongly recommended that you monitor your student's progress through the online account.

6. Students will be dropped from coursework due to inactivity in a course after 5 days.

7. Students will be dropped from coursework due to inactivity in a course after the 14th day of the virtual session, if no work has been completed after the 5th day.

8. Final exams for initial credit courses will be proctored at your school at the end of your course. Exam dates and times will be communicated to students through announcements and/or email. Credit recovery courses do not have final exams.

Credit Recovery: To be eligible, the final grade in the failed class must be 50-59. Upon successful completion, the failing grade will change to "P" for passing regardless of the numerical credit recovery grade. The final grade of "P" will not affect GPA and the original failing grade will stay on the official transcript. ***The NCAA will not accept any form of credit recovery.***

Student Name: _____ **Grade Level:** _____

Course Requested: _____ **Circle One: Initial Credit or Credit Recovery**

Course Requested: _____ **Circle One: Initial Credit or Credit Recovery**

Course Requested: _____ **Circle One: Initial Credit or Credit Recovery**

I have read the above statements and agree to the terms as listed above.
