## ***The Hottest Styles for Prom- For Her?***

Caitlin Courtney & Tessa Shackleford  
PromGirl

It's never too early to be in the know on the latest prom dress trends! We are here to be the first to give you a peek at the trends expected to be a hit at junior and senior proms! The top prom dress styles this season have sequins, embroidery, statement backs, or one-shoulder designs. Many of the best prom dresses for 2022 even boast a gorgeous blend of these stunning design features! Ready to learn more? Here's the skinny on what you need to know about these top 4 predicted style trends:

**Sequin Dresses** - All the sparkle is IN this season! From head-to-toe sequin prom dresses to gowns with just a dash of sparkle in the bodice or skirt, there are so dazzling options for you to find just the right amount of glimmer to suit you.

**Statement-Back Dresses** - This season there are a ton of styles that make quite the statement when you walk by! From strappy corset designs to bold backless styles, statement-back prom dresses are absolute head-turners. Find a daring open-back or a delicate sheer-lace back design to wow them with every turn.

**Embroidered Dresses** - Embroidery is a delicate and feminine design that sets a sophisticated tone! Trending for 2022, embroidered prom dresses often feature lacey floral patterns or rhinestone and bead embellishments. Whether you prefer a classic all-over embroidered design or a style accented by beautiful embroidery, you can't go wrong with either this prom.

**One-Shoulder Dresses** - The asymmetrical look is hot for prom 2022 dresses! While elegantly baring one shoulder is the latest trend, the other shoulder might be wrapped in a sophisticated long sleeve, topped by a classy cap sleeve, or bordered by a supportive strap.

Selecting one of these specific styles or a combination of them would be the perfect fit for this year's prom. Remember, we all have different body types so make sure to select one that suits you and your individual, unique style!

## Promposals- Yes or No!!

Paige Strang & Emily Tindal

Promposals have been a hit trend since the early 2000s, but have since dwindled in popularity. Whether it is through a decorative poster, or "Prom?" spelled out in donuts or cupcakes, it used to be a heartwarming and creative way to ask someone to accompany oneself to the memorable high school event. Promposals are so underrated, that it's unreal. Now-a-days, teens just ask each other or just assume they are going instead of putting in the effort of creating a promposal. Just to help ya'll out, here are some cute, creative ideas...

### "YES, SHE WANTS A PROMPOSAL!"

I do not care what anyone thinks! This is the cutest promposal ever! Add some flowers and you'll be good! Set up on their porch, around their car, or in their room at home.

"If the shoe fits Makeup your mind" with some shoes and makeup...

Baseball players can do something like this!

Your the only Chick I want to go to prom with" get her some chick-fi-la while your at it.

Going out to eat before prom is a tradition. Whether it is a romantic dinner for two or a fun, group thing with friends. Remember finger foods will be available at prom. Make sure that you make reservations as you will not be the only school attending prom that night.

## **Flowers - Corsage, Boutonnieres, and Bouquets**

Traditionally, the male brings his date a corsage when he picks her up for prom, and the female brings the boutonniere. Of course, females can buy their own corsages, too. Or friends can purchase corsages or boutonnieres for each other if they're going in a group. Some girls prepare to have a bouquet rather than a corsage. When in doubt, ask your date. Pick colors that match what you are wearing. Order early and tell the florist any ideas of what you want.

## War Eagles Clothing Closet

Anijah Phillips from Mrs. Akins

The War Eagle Clothing Closet (We Care) will open in February.

The We Care Closet will be available for students who are in need of clothing as well as basic supplies, such as toothpaste, soap, shampoo, etc. We hope to provide a room, set up like a store, where students can come and shop/browse for gently used or new clothing, shoes, and supplies. Students are identified by faculty/staff and referred to the guidance department or to the school nurse. Students can also self-referral if they need anything. Someone will take them to the We Care Clothing room where that student is allowed to shop for clothing, shoes, accessories, or toiletries, or whatever they need.

The goal of the clothing closet is to help kids who maybe don't have or can't afford clothing, a coat, or a pair of shoes, or even a pair of gym shorts. So, if you or someone you know needs some help or some extra clothing, please talk to someone in the Guidance office, the Nurse or even Mrs. Akins.

The War Eagle We Care Clothing Closet would like to thank the following groups for their generous donations to the clothing closet:

Rocky Springs Baptist Church

Wagener First Baptist Church

The Iota Theta Sigma Alumni Chapter of Phi Beta  
Sigma Fraternity, Inc.  
faculty/staff of WSHS

We will continue to take donations of new or gently used clothing and accessories. You may drop off clothing in the front office.
