## ¡MARAVILLOSOS!

*Mrs. Wanda Bush  
Teacher of the Year!*

Four World Language Teachers were recognized as 2023 Teachers of the Year at their schools: Julio Avila NAHS, Wanda Bush (RSMH), Carolyn Anderson (SMS), and Tasha DaCasta (WSHS). That is simply amazing! What a joy that their schools recognized the enormous impact that these teachers make in the lives of their students. Each of them are models of skill, enthusiasm, and innovation! Join me in congratulating them!

**DR. CAROLYN ANDERSON**

# TASHA DACOSTA TEACHER OF THE YEAR!!

November's All Things World Language Webinar was called "Keeping classes culturally relevant." One way to do that is by sharing food from the target culture! Mr. Medina always works culture into his lessons!

Consider sharing learning activities where students were highly engaged with your content. Please share the course, the unit, and the standard.

Meredith Parrot discussed travel abroad with her middle school students, emphasizing how students can investigate study-abroad opportunities when they are older. Her students took a tour of Spanish-speaking countries such as Spain, Mexico, Peru, Chile, and more!
