

MVHS LESSON PLANS

TEACHER: GREENWALD SUBJECT: PROB & STATS CP PERIODS: 2ND, 4TH, 6TH & 7TH WEEK OF: 2/24/20 – 2/28/20

Date	Unit/Section	Essential Question	SCCCR Standards	Learning Objectives	Lesson / Assignment	Assessment
Monday 2/24	Unit 4	How can probability guide the decisions we make?	PS.SPCR.3 PS.SPCR.6 PS.SPCR.8	TSWBAT demonstrate knowledge of counting, permutations, combinations, and probability on a quiz.	Unit 4 Quiz 1	Student work Student questions Teacher observation
Tuesday 2/25	ACT Testing (School-wide Testing Schedule)					
Wednesday 2/26	Unit 4	How can probability guide the decisions we make?	PS.SPCR.3 PS.SPCR.6 PS.SPCR.8	TSWBAT use the basic rules to calculate probabilities for a given scenario.	Rules of Probability CW/HW: Ch. 14 #1-10	Student work Student questions Teacher observation
Thursday 2/27	Unit 4	How can probability guide the decisions we make?	PS.SPCR.3 PS.SPCR.6 PS.SPCR.8	TSWBAT use the addition and multiplication rules to calculate probabilities for mutually exclusive and independent events.	Rules of Probability Activity: Pass the Folder	Student work Student questions Teacher observation
Friday 2/28	Weather Makeup Day (Schools Closed)
